News you can use

Help protect yourself from fraud

AT&T will never contact you by email, SMS, or recorded call asking for personal information. If you receive such an email, do not reply. Never use the links in questionable emails to determine if the email is valid. Fraudsters can create fake email headers, so the sender may not be real. They also can create realistic forgeries of websites. Do not fill out forms via email, because the data may not be secure. Instead, go directly to the company's website. Ensure a site is secure by checking whether there is an "s" after the http in the address and a lock icon at the bottom of the screen.

Important information

Late payment fee

The late payment fee for consumer and Signature bills not paid in full by the payment due date is up to \$7.00.

Electronic check conversion

Paying by check authorizes AT&T to use the information from your check to make a one-time electronic fund transfer from your account. Funds may be withdrawn from your account as soon as your payment is received. If we cannot process the transaction electronically, you authorize AT&T to present an image copy of your check for payment. Your original check will be destroyed once processed. If your check is returned unpaid you agree to pay such fees as identified in the terms and conditions of your agreement, up to \$30. Returned checks may be presented electronically.

Surcharges and other fees

AT&T imposes additional charges on a per line basis, including federal and state universal service charges, an Administrative Fee (to defray certain expenses including charges AT&T or its agents pay to interconnect with other carriers to deliver calls from AT&T customers to their customers, and charges associated with cell site rents and maintenance), and a Regulatory Cost Recovery Charge (to recover costs of compliance with certain government imposed regulatory requirements, including Wireless Number Portability and Number Pooling, and E911). These fees are not taxes or charges that the government requires AT&T to collect from its customers. See att.com/mobilityfees for details.
