### Federal Affordable Connectivity Program Credit

You are currently receiving a credit toward your Xfinity Internet service through the Federal Government's Affordable Connectivity Program (ACP). We will notify you at least 30 days in advance of the program's end. If, at the conclusion of ACP, you choose to continue with your current level of Internet service, you'll then continue to be billed at Comcast's standard monthly rates, including any applicable taxes, fees, and equipment charges. You can choose to change your Internet service by visiting [xfinity.com/myaccount](http://xfinity.com/myaccount) (<http://xfinity.com/myaccount>) or cancel by calling 1-800-xfinity.
